## NOTIFICATION

As per the Water (Prevention and Control) Act, 1974 under Section 25(7) it has been stated that

*“The consent referred to in sub-section (1) shall, unless given or refused earlier, be deemed to have been given unconditionally on the expiry of a period of four months of the making of an application in this behalf complete in all respects to the State Board”*

Therefore, it may be assumed that State Pollution Control Board needs to approve/reject/raise query on the application of consent submitted by industries within a stipulated period of four months.
